

Notes

1) Belohnung

How many points does the person get who finishes the task? Has the creator to give points away from his purse when another user finishes the task?

2) Private?

only the assigned member can see the task

3) Aufgabe reservieren

As soon as somebody wants to finish a task, he can reserve it. Maybe the reservation has to be constraint to the next 12h or so etc. etc.

4) Abwesenheitsfunktion

User can set his status to 'on holiday until ... '. so his tasks until [date] has to be done by other wg members.
